# Terms of Consent for Care

I, \_\_\_\_\_, hereby authorize Dr. Marinaro/Dr. Hayford to perform the following specific procedures as necessary to facilitate my diagnosis and treatment:

**Common diagnostic procedures:** e.g., venipuncture, radiology, laboratory, X-ray

**Minor office procedures:** e.g., cleaning, dressing a wound, ear lavage, skin scraping

**Medical use of nutrition:** therapeutic nutrition, nutritional supplementation, and intramuscular vitamin injections.

**Botanical medicine:** plant substances may be prescribed as teas, alcohol-based tinctures, glycerites, capsules, tablets, creams or suppositories

**Craniosacral Therapy, Visceral Manipulation:** gentle forms of bodywork used to address back pain and other musculoskeletal complaints, headaches and organ dysfunction

**Counseling:** utilization of mental health counseling and techniques

**Medical use of ozone:** therapeutic ozone gas administered to isolated parts of the body, combined with depuration in an ozone sauna and injected subcutaneously or intramuscularly to address chronic pain and infections

## I recognize the potential risk and benefits of these procedures as described below:

**Potential risks:** allergic reactions to prescribed herbs and supplements, side effects of medications or vaccinations, aggravation of pre-existing symptoms, discomfort, pain, infection, burns, nausea, light headedness, inconvenience of lifestyle changes, injury from injections, venipuncture or procedures. Please notify Dr. Marinaro/ Dr. Hayford if you experience any symptoms which may be secondary to the above procedures.

**Potential benefits:** restoration of health and the body's maximal functional capacity without the use of drugs or surgery, relief of pain and symptoms of disease, assistance in injury and disease recovery, and prevention of disease or it's progression.

**Notice to Pregnant Women:** All female patients must alert the doctor if they know or suspect that they are pregnant as some of the therapies used could present a risk to the pregnancy.

With this knowledge, I voluntarily consent to the above procedures, realizing that no guarantees have been given to me by physician, or any personnel regarding cure or improvement of my condition. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I understand that a record will be kept of the health services provided to me. This record will be kept confidential and will not be released to others unless so directed by myself or my representative or unless it is required by law. I understand that I may look at my medical record at any time and can request a copy of it by paying the appropriate fee. I understand that my medical record will be kept for a minimum of three, but no more than ten years after the last day of my visit. I understand that information from my medical record may be analyzed for research purposes, and that my identity will be protected and kept confidential. I understand that any questions I have will be answered by my practitioner to the best of his/her ability.

I understand that all sales of goods and services are final.
