## New England Naturopathic Health Policies

Please initial the following statements:
$\square$ I understand that nutrition office visits are not medical office visits and only nutrition and/or nutrition-related subjects will be discussed during the nutrition visit.

I understand that nutrition counseling does not guarantee weight loss.I understand that payment of consultation fees, lab fees, supplements and any other services are due at the time of service.I understand that phone consultations and phone lab reviews with Dr. Froman will be billed at the same rate as an in-office visit.

I understand that I may message Dr. Froman's support staff through the Charm Portal. Email is not an acceptable communication format due to confidentiality concerns.I understand that any supplements purchased at NENH or via Fullscript / Wellevate (per NENH request) cannot be returned once opened.

I understand that if I am more than ten minutes late for an appointment. I may not be seen and may be charged a cancellation fee.

I understand that should I miss an appointment or cancel with less than a twenty-four hours' notice, I will be assessed a cancellation fee.

I understand it is my responsibility for payment on all nutritional visits, and that if requested I can receive a superbill to directly submit to my insurance company.

I understand that Naturopathic doctors in the state of Maine serve as specialists and not primary care doctors. For this reason, I understand that it is my responsibility to have a PCP, or to be actively looking to establish care with a PCP, prior to establishing care at New England Naturopathic Health.

## Terms of Consent for Care

$$
\mathrm{I},
$$

as necessary to facilitate nutrition guidance:

Nutritional diagnostic procedures: e.g., venipuncture for food sensitivity test
Medical use of nutrition: therapeutic nutrition, nutritional supplementation, and intramuscular vitamin injections.
Botanical medicine: plant substances may be prescribed as teas, alcohol-based tinctures, glycerites, capsules, tablets, creams or suppositories

Nutritional Counseling Techniques: utilization of nutritional counseling and techniques such as Motivational Interviewing, stress-reduction techniques, mindful meditation

## I recognize the potential risk and benefits of these procedures as described below:

Potential risks: allergic reactions to prescribed herbs and supplements, side effects of medications or vaccinations, aggravation of pre-existing symptoms, discomfort, pain, infection, burns, nausea, lightheadedness, inconvenience of lifestyle changes, injury from injections, venipuncture or procedures. Please notify Dr. Froman if you experience any symptoms which may be secondary to the above procedures.

Potential benefits: restoration of health and the body's maximal functional capacity without the use of drugs or surgery, relief of pain and symptoms of disease, assistance in injury and disease recovery, and prevention of disease or it's progression.

Notice to Pregnant Women: All female patients must alert the doctor if they know or suspect that they are pregnant as some of the therapies used could present a risk to the pregnancy.

With this knowledge, I voluntarily consent to the above procedures, realizing that no guarantees have been given to me by the naturopathic doctor, or any personnel regarding cure or improvement of my condition. I understand that I am free to withdraw my consent and to discontinue participation in these procedures at any time.

I understand that a record will be kept of the health services provided to me. This record will be kept confidential and will not be released to others unless so directed by myself or my representative or unless it is required by law. I understand that I may look at my medical record at any time and can request a copy of it by paying the appropriate fee. I understand that my medical record will be kept for a minimum of seven years, but no more than ten years after the last day of my visit. I understand that information from my medical record may be analyzed for research purposes, and that my identity will be protected and kept confidential. I understand that any questions I have will be answered by my practitioner to the best of his/her ability.

I understand that all sales of goods and services are final. Refunds for supplements are available up to 90 days after purchase (unopened items only).

I understand that nutrition office visits are not medical visits. If I wish to discuss medical needs not related to nutrition, I understand that I must schedule either a new patient consultation or medical follow-up visit.
